All aboard the Top Ryder

The Top Ryder provides a free bus service for people living and working in the City of Ryde. It's an easy and convenient way for you to do your shopping, get to appointments or access Meadowbank, West Ryde and Eastwood Stations.

The service runs Monday – Saturday during off peak hours. See over for timetable details and a route map.

You can catch the buses at designated Top Ryder bus stops or from any STA bus stop along the route.

The buses have been specially modified to assist the elderly and those who use wheelchairs. If you use a wheelchair, it is essential that you call to book your place the day before you intend to travel. This will ensure that there is a place available for you.

**For wheelchair bookings,
call 1300 850 820.**

Please note:

- due to space constraints the buses cannot accommodate motorised scooters
- you can only bring shopping onto the bus that you can carry yourself. For large grocery shopping, you should arrange for home delivery through the supermarket
- prams and strollers should be collapsed before you board.
